

The Complete Wedding Venue

Make your once-in-a-lifetime day even more memorable by enjoying it in surroundings of Medieval Grandeur at Kryal Castle

The Bridal party and guests will be treated like Royalty with a real Red Carpet Welcome

As the bride crosses the draw bridge, she is met by the Yeoman of the Guards and the Royal Piper, who will escort the bridal party along a rose scattered pathway to our beautiful gothic chapel, romantically lit by candlelight and decorated with ivy and flowers.

After an exciting photography session, the Yeoman of the Guards will escort the bridal party to the dining venue to be welcomed by the guests.

The Royal Piper will also escort the wedding party and at the appropriate time pipe in the Baron of Beef.

Throughout the banquet our Royal Family Master of Ceremonies, will ensure your reception is entertaining, joyous and tailored to your wishes.

Both Banquet rooms exude atmosphere; the tables are exquisitely dressed with trimmed black or silver candelabra, white or bone tablecloths and burgundy damask napkins.

We have appropriate in-house music with a D.J to look after your requests.

The Golden Eagle Tavern has a large Bluestone open fireplace, and gas central heating for your complete comfort.

Take with you your genuine Wedding Sword, engraved with the names of the Bride and the Groom and the date of your wedding, a magnificent potential Heirloom!

Formal or special custom and ethnic weddings can be catered for.
